

Sponsor's Association

The Sponsor's Association's purpose is to provide Oconee County Republican Party (OCRP) with an organized way to accept financial support from Oconee County Republicans who realize the importance of funding party success, in aggregate, at the local level.

The Sponsor's Association provides several levels of sponsorship with corresponding annual dues. All funds collected from members or raised by fund-raisers that are held by the OCRP are used exclusively to support Republican candidates on local, state and federal levels. Members may be approached to participate in party activities, but unlike state and national party organizations, OCRP will not make repeated solicitations.

OCRP is dedicated to promoting good government through recruiting and supporting the best available candidates to represent Oconee County citizens at all levels of government. Our selected candidates are always people of high ethical and moral convictions from backgrounds representing the diverse nature of our county with strong beliefs in the principles upon which our constitution is based.
