

## 2024May09 – Chairman’s Update

Greetings! I hope everyone made it through last night’s storms without too much damage. I’ve lived in Oconee for 26 yrs, and that onslaught definitely made my Top 3 list for most severe!

Fourteen of us travelled to Columbia last weekend for the 2024 SCGOP Convention. Lt. Gov. Pamela Evette and Gov. Henry McMaster both made statements regarding the need to strengthen and unite GOP activity to ensure Pres. Trump gets re-elected in November. For sure, we all have to rally our support behind Pres. Trump. We will communicate more details from that meeting at a later date.

Early voting starts on May 28th, with June 11th being the official day to vote in our statewide and local primaries. Let’s each do our part to support the candidates and most importantly - Get Republicans out to the polls to vote. Volunteer to call and give rides if needed.

I’m cancelling this month’s Executive Committee meeting, which was scheduled for May 16<sup>th</sup>. There’s enough going on in May already, so let’s focus energy on getting our candidates elected.

Remember to purchase your tickets for the OCRM, OCRW, OCRP combined Candidate Forum at South Cove Park on June 1st. [Click here](#) to purchase tickets.

I hope everyone enjoys a Happy Mother’s Day this Sunday!

Cheers,  
Jim Mann, OCRP Chairman
