

The Oconee County Republican Party

Sponsors' Association

The purpose of the Sponsors' Association is to provide the Oconee County Republican Party (OCRCP) with an organized means of accepting financial support from Republicans of Oconee County who realize the importance of funding party success, in aggregate, at the local level.

The Sponsors' Association provides several levels of personal and business sponsorship with corresponding annual dues. All funds collected from members or OCRCP fundraisers are used to support Republican candidates on local, state, and federal levels. Members may be approached to participate in party activities. However, unlike state and national party organizations, the OCRCP will not make repeated solicitations.

The OCRCP is dedicated to promoting good government through recruiting and supporting the best available candidates to represent the citizens of Oconee County at all levels of government. Our selected candidates are always of high ethical and moral convictions, and of backgrounds that represent the diverse nature of our county, with strong beliefs in the principles upon which our Constitution is based.

To join the OCRCP Sponsors' Association, please detach the form below, and mail the completed form with payment to: OCRCP, P.O. Box 25, Seneca, SC 29679. Thank you for your continued support!
